Ryan,

We would like to inform you that that the merger of equals between The Dow Chemical Company and DuPont was completed after the market closed on August 31, 2017.

The new merged company is known as DowDuPont, and will be trading as DWDP, starting September 1.

As noted at the initial announcement of the merger, the intention remains to subsequently spin (or separate) into three independent, publically traded companies focused on Materials Science, Agriculture and Specialty Products, within 18 months.

Further details can be found on in the related press release below and attached or on the new DowDuPont website, www.dow-duPont.com

We remain committed to being an important part of the [add District/State as appropriate] economy, and we are at your disposal if you should have any questions.

With best regards, Dennis
